# *Dedication*

*David Katz  
George McCabe*

When we were happy

You shared our laughter,

And all of our troubles

You had to bear.

In times of need

We never had to call,

You were always there.

You lived our moments of glory

And even our foolish pranks.

You were with us all the way,

And we'd just like to say - "thanks."

Maybe I'm amazed at the way you  
help me sing my song  
Right me when I'm wrong,  
Maybe I'm amazed at the way I  
really need you.

Paul McCartney

*Theme:  
To Be Alive*

Life is like an onion;  
You peel it off one  
layer at a time and  
sometimes you weep.

Carl Sandburg

One faint ray of warning,  
then breaks the dawn.  
The stars that it's scorning,  
melt and are gone.  
The birds soar higher  
and then turn to dive.  
How wonderful to watch,  
to be alive.

Blackbird singing in the dead of  
the night,  
Take these sunken eyes and learn to  
see.  
All your life - you were only waiting  
for this moment to be free.

Lennon and McCartney

You forget your cares and strife.

Let the prudes look down on us,

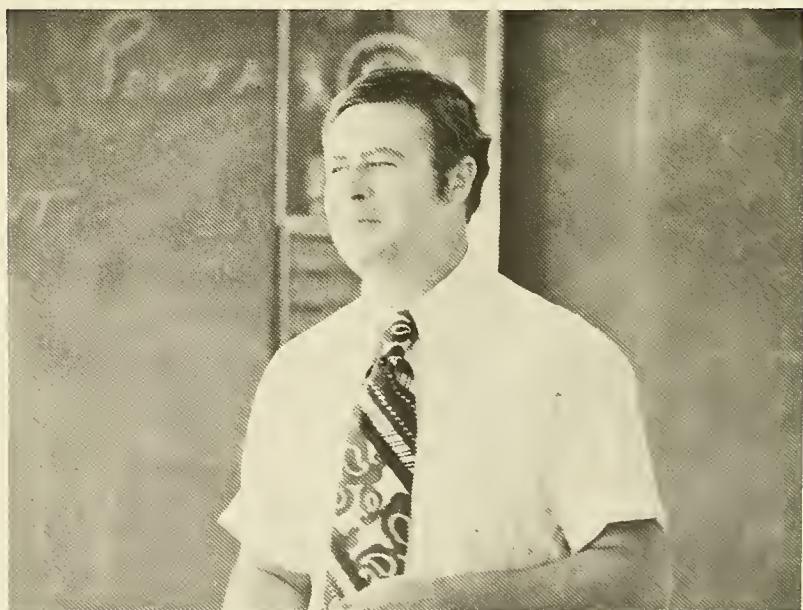

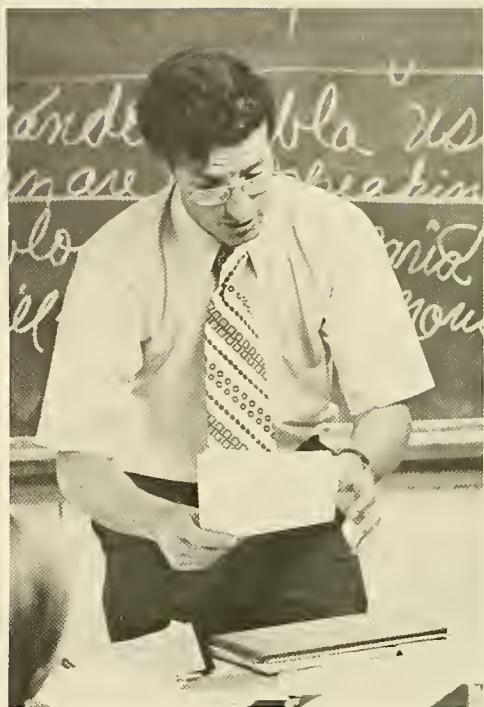

Let the wide world frown on us,

It's a fine, fine, life!

Lionel Bart - from the musical - OLIVER!

The horizon twists and turns before me  
As my feet make me charge on.  
Breathless as an excited child  
Though my childhood days are gone.  
The wind blows all my long hair back,  
We face the enemies - "Attack!"  
Spirit and desire we do not lack.  
Surrounded by teammates, I strain to see  
The glorious road to victory!

I'm lying on the gridiron, I can hardly  
move my muscles.  
Then some coach will come along and say,  
"Boy you better hustle!"  
My staff infection's burning and my  
rashes are on fire.  
I say, "I can't go nowhere, 'cause man I'm

Words are flying  
out  
like endless rain  
into a paper cup,  
They slither  
while they pass,

they slip away  
across  
the universe.  
Pools of sorrow,  
waves of joy, are  
drifting through

my opened mind,  
possessing and

You've got to get up every morning  
with a smile on your face  
And show the world all the love in  
your heart.  
Then people gonna treat you better.  
You're gonna find, yes you will,  
That you're beautiful as you feel.

## DON'T QUIT

When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit —  
Rest if you must, but don't you quit.  
Life is queer with its twists and turns,  
As every one of us sometimes learns,  
And many a fellow turns about  
When he might have won had he stuck it out.  
Don't give up though the pace seems slow —  
You may succeed with another blow.  
Often the goal is nearer than  
It seems to a faint and faltering man;  
Often the struggler has given up  
When he might have captured the victor's cup;  
And he learned too late when the night came down,  
How close he was to the golden crown.  
Success is failure turned inside out —  
The silver tint of the clouds of doubt,  
And you never can tell how close you are,  
It may be near when it seems afar;  
So stick to the fight when you're hardest hit, —  
It's when things seem worst that you mustn't quit.
